

Student Use Agreement Declaration

Student Declaration

I understand that these guidelines for responsible use are to be followed when using any technology while at Opaheke School or while on any school activity. I am aware that this may include the use of a device that I bring as part of our My Mobile Learning programme.

I understand that if I breach this responsible use agreement,

- School may need to tell my parent(s)
- I may lose access to Opaheke School's ICT services, including the use of the internet, on school owned devices or any personally owned device used at school.

Date ____/____/____

(Parent may sign on behalf of child in Years 1-2)

Parent / Guardian Declaration

- I understand that Opaheke School is supporting students as they learn the skills required to become successful digital citizens.
- I understand that Opaheke School has a Digital Citizenship policy and procedures* that outline the schools digital citizenship approach and how this supports teaching and learning.
*These documents are available on the school website/ at the school office
- I understand that Opaheke School provides access to the internet and other communications technologies because it believes that they enhance the teaching and learning process.
- I understand that Opaheke School encourages responsible behaviour by students when using technology to help protect themselves and each other from experiencing harm online. I am aware that this "Student Responsible Use Agreement" is part of that, and that it encourages students to consider how their actions can affect themselves and those around them.
- I have read the student declaration and have talked with my child about what it means to them. I am happy that my child understands what this means, and that they are capable of working within the guidelines.
- I am aware that students can experience challenges when using technology, but that Opaheke School makes every effort to support students to manage those challenges effectively. I understand that by learning to deal with them in a safe environment with the appropriate support they will be better prepared to deal with those challenges in the future.
- If I have questions or concerns about the way in which technology is being used by my child at Opaheke School, I know the school is happy to discuss this with me, and I am aware that I am welcome to do this at any time.
