

## ADULT / STUDENT CONTACT POLICY

### AIM

To give guidelines to all adults working with students from our school.  
To maintain the safety of children and adults alike.

### GUIDELINES

- Adults working at our school must be professional and cautious in situations when alone with a student. Where it is necessary and appropriate, they should ensure that they are clearly visible to other people or another adult is present in the room.
- They avoid transporting a student alone.
- Use careful judgement regarding physical contact when coaching or helping in outdoor pursuits.
- Act as positive role models for students.
- Know that our school is a smoke free zone.
- Understand that children's safety and well-being on school visits and camps is of prime importance.
- Adults working at school must maintain confidentiality.
