

Letter #16

Friday 24 September 2021

Principal: Sean Valvoi

Dear Parents and Caregivers

Kia ora Koutou

Once again we come to the end of the week although this week we saw a drop to Level 3 with a tiny bit more freedom to get a flat white, or that takeaway meal. We now have only one week before the holidays and hopefully we will then see the end of distance learning for some time.

School Bubbles

I would like to thank all those parents who were able to sort alternative arrangements for the care of their children during Level 3. I do want to make it clear that those students who have to be at school are not taught by the teachers in school. They continue to learn online, connecting with their own class as they would do at home. Staff and students at school adhere to stricter conditions than they would do at home. I would like to give a huge thanks all those staff who are at school during Level 3. I would also like to thank those staff who are supporting those classes while their teacher is in a school bubble.

Parent Survey – Last Day

Remember to complete the parent survey about our learning from home programme before the end of today using the link below. Only one response per family please. We really do value your feedback.

Find a [COVID-19 VACCINATION site](#)

Have a happy and safe weekend, and if you have not yet been vaccinated or your 12+ child has not been vaccinated then you can get this done at one of the walk in or drive through vaccination centres nearby.

Please remember to be kind to others and stay strong, stay safe and stay kind.

Noho oro mai.
